PROFESSIONAL SUMMARY

Administrative professional with experience in health and dental care since 2015, supporting multi-site operations with a strong record in financial coordination, including account monitoring, reconciliations, and variance investigation. Skilled in managing competing priorities in fast-paced, deadline-driven environments while maintaining accuracy and professionalism with diverse stakeholders. Proficient in Microsoft Office and practice management systems, with a track record of identifying process improvements and preparing clear, accurate reporting.

SKILLS

Financial & Administrative Coordination: Account monitoring & reconciliation · Expense tracking & variance investigation · Financial summary reporting · Multi-stakeholder coordination · Deadline management

EMR & Practice Management Systems: PSS · OCEAN · Abeldent

Records, Scheduling & Communication: Scheduling & records management · Referral & intake coordination · Front-desk & office operations · Written & verbal communication with diverse stakeholders

Technical: Microsoft Office Suite (Word, Excel, Outlook) · Google Workspace

PROFESSIONAL EXPERIENCE

Dental Receptionist | Parkdale Queen West Community Health Centre — Queen West & Evangel Hall Mission Clinic
September 2025 – Present | Toronto, ON

- Manage accounts receivable and billing reconciliation across multiple dentists' accounts, investigating discrepancies and ensuring accuracy
- Liaise with referral sources (OCEAN, PSS) and internal stakeholders to coordinate patient intake and information flow across both sites
- Maintain accurate records using PSS, OCEAN, and Abeldent practice management systems
- Coordinate scheduling and daily operations across two clinic sites, managing competing priorities under tight deadlines
- Prepare weekly financial summary reports for the accounting department, tracking billing and receivables activity

Dental Administrator/Assistant | Dr. Cox Dental Office
March 2021 – August 2022 | Toronto, ON

- Coordinated daily schedules, optimized patient flow, and maintained up-to-date records
- Assisted with front-desk operations and resolved billing and insurance issues
- Introduced workflow improvements that reduced patient wait times by 20%
- Supported clinical procedures and sterilization of operatories, maintaining 100% compliance with infection control standards

Dental Receptionist | Artin Dental
August 2018 – March 2021 | Toronto, ON

- Handled front-desk operations for an average of 20 patient visits daily
- Ensured accurate insurance billing and payment processing
- Reduced no-shows by 90% by designing and implementing a confirmation protocol

- Acted as liaison between patients and the dental team, ensuring clear communication

Dental Assistant Level 1 / Administrator | LG Dental Centre
August 2017 – June 2018 | Toronto, ON

- Provided chairside assistance for 5+ procedures weekly, ensuring compliance with infection prevention protocols
- Managed patient charts, insurance claims, and daily financial reconciliation
- Contributed to a 15% increase in patient retention through service quality improvements

Dental Assistant Level 1 | Chiu Muen Tam Dentistry
August 2015 – August 2017 | Toronto, ON

- Assisted in 5+ dental procedures weekly, maintaining sterile and organized operatories
- Complied with health and safety standards to ensure a safe clinical environment
- Built rapport with patients, helping to ease anxiety during procedures
