PROFESSIONAL SUMMARY

Administrative and operations professional with over 8 years of experience coordinating complex schedules, financial reporting, contract/vendor documentation, and multi-site workflows. Skilled in auditing financial logs, managing accounts receivable, and tracking compliance across cross-functional teams. Holds a Software Engineering Technology diploma with strong proficiency in data tracking, Microsoft Excel, and digital enterprise systems.

WORK EXPERIENCE

Dental Receptionist – Parkdale Queen West Community Health Centre and Evangel Hall Mission, Toronto, ON. **September 2025 – September 2026**

- Coordinate scheduling and daily operations across two clinic sites under tight deadlines
- Prepare weekly financial summary reports for the accounting department, tracking billing and receivables activity
- Own accounts receivable reconciliation across multiple dentists' accounts, investigating discrepancies until resolved
- Link clinic staff, dentists, and external referral partners to coordinate intake and information flow across both sites
- Created a dental supplies inventory report to track clinic stock

Dental Receptionist – Dr. Cox Dental Office, Toronto, ON. **March 2021-August 2022**

- Coordinated daily schedules and patient flow; introduced workflow improvements that reduced patient wait times by 20%
- Supported front-desk operations and resolved billing and insurance issues
- Maintained 100% infection control compliance while supporting clinical procedures and sterilizing operatories

Dental Receptionist – Artin Dental, Toronto, ON. **August 2018 – March 2021**

- Designed and implemented a patient confirmation protocol that reduced no-shows by 90%
- Ran front-desk operations for ~20 patient visits daily, ensuring accurate insurance billing and payments
- Served as the liaison between patients and the dental team to keep communication clear

Dental Assistant/Receptionist – LG Dental Centre, Toronto, ON. **August 2017 – June 2018**

- Managed patient charts, insurance claims, and daily financial reconciliation
- Contributed to a 15% increase in patient retention through service quality improvements

Dental Assistant Level 1 – Chiu Muen Tam Dentistry, Toronto, ON. **August 2015 – August 2017**

- Assisted with 5+ dental procedures weekly, maintaining sterile operatories and health and safety compliance
